

Wolverines Open Baseball Season In Reno On April 9

The Tahoe Truckee Wolverine baseball team will have the first test of its strength Saturday when they go against the Reno JV's in Reno at 4 p. m. Monday, April 9.

Coach Tom Pendergast announced that about 60 players have turned out for baseball, with six returning lettermen including Dave Decker, pitcher and 1st baseman; Doug Doolittle, pitcher and outfielder and third baseman, Bob Kettenhofen, all seniors. Mickey Strickland, second baseman is a junior and Sophomores Karey Kiehofer, pitcher and shortstop, and Norm Doolittle, outfielder, are the other lettermen.

Promising transfer candidates are Catcher Steve Gray, Pitcher Lonnie Pierce, Shortstop Skip Wilson and Outfielder Bill Hutsell.

Pendergast said the pitchers and catchers have been practicing in the gym for the past two weeks and the rest of the players have now reported for the first outdoor practice to be held on the Reno High School field Saturday.

Weather and field conditions permitting, the first home game will be played here with Quincy, with both the varsity and JV's, starting at noon April 21.

In the meantime, the Wolverines meet South Tahoe at Reno April 14 and Del Oro at Loomis on April 18.

Pendergast said this year's schedule includes 11 varsity and five JV games, the schedule running to May 25.

D. A. Prepares To Fight For Facility

NEVADA CITY—District Attorney Harold A. Berliner told county supervisors late Monday he is prepared to go to court in an attempt to force the Southern Pacific Company to pay part of the cost of widening two underpasses between Floriston and U. S. Highway 40.

Berliner told the supervisors the county and state are ready to pay their parts of the cost but the railroad company has refused to join the program.

He said the two narrow underpasses are seven and nine feet wide, preventing supply trucks and school busses from entering the community with the result school children are forced to walk more than a mile to the highway.

The supervisors authorized the district attorney to proceed with necessary action.

FOUR BABIES ARRIVE AT LOCAL HOSPITAL

Four babies were born at the Tahoe Forest Hospital during the past week.

Mr. and Mrs. Charles F. Stark, Jr. of Hobart Mills are the parents of Nancy Ann, five pounds, 14½ ounces, who arrived at 3:22 p. m. March 28.

Dominic Thomas, seven pounds, six ounces, is the new son of Mr. and Mrs. Almo J. Cordone of Tahoe City, born at 9:30 a. m. March 31.

On April 3 at 4:53 a. m. David John was born to Mr. and Mrs. Arlie D. Watkins of Tahoe City. He weighed six pounds, five ounces.

Mr. and Mrs. Richard B. Jules of Soda Springs welcomed John Phillip, seven pounds, 13 ounces at 4:04 p. m. April 3.

REBEKAHS MEET TO HONOR PRESIDENT

Naomi Rebekah Lodge No. 2 of the Independent Order of Odd Fellows met Wednesday, March 28 for the official visit of Elizabeth Chapman of Santa Monica, president of the Rebekah Assembly.

About 100 attended with 30 members from the jurisdiction of Nevada including many dignitaries. There were also visitors from San Francisco, Rio Vista, Grass Valley, Nevada City and Idaho. Maggie Avila, noble grand, presided. A dinner was served preceding the meeting.

Georgiana King, Lenore Vind and Pearl Heller were elected delegates to the Rebekah Assembly to be held in Long Beach May 13-20.

The refreshment committee for the April 14 meeting comprises Callie Kydd and Catherine Cozzi.

MAIN STREET GIVEN SPRING CLEANING

The main streets in the business section of Truckee received their first face lifting last week when the tons of debris collected during the winter were swept up and hauled away by the Truckee Donner Disposal Service in a project sponsored by the Truckee Donner Chamber of Commerce.

Chamber Manager N. F. Dolley said that the program will be continued during the summer months to keep the streets attractive and clean.

McIntyre To Head Elks; Ceremony Is Scheduled Sunday

Families and friends of Elks are invited at the open installation of officers of North Tahoe Sierra Lodge No. 2140 by Robert Roberts of Placerville and his corps of grand officers. The installation will be held at the Elks Lodge in Tahoe Vista at 4 p. m. Sunday, April 8. A dinner and dance will be held at 6 p. m. at Crystal Bay Club.

Harry F. McIntyre, Jr., will be installed as exalted ruler to succeed Lloyd Everett.

Other officers elected for the 1962-63 Lodge year are Fred Schultz, esteemed leading knight; Robert Stark, esteemed loyal knight; Pete Vanni, esteemed lecturing knight; Gordon Brown, five year trustee; Tony Donadio, tiler; Richard Bollin, secretary; and Ron Kimball, treasurer.

McIntyre has appointed Robert Molsberry, esquire; George Austin, chaplain; and Ray Kimbrough, inner guard. Lloyd Everett will continue to serve the lodge as its first past exalted ruler and coach of the ritualistic team.

Three Truckeeites In Reno Hotel Fire

Three Truckee people were among the victims in the disastrous Golden Hotel fire in Reno Tuesday morning.

Mrs. Joan Howe, 22, and her four year old son, Russell, were treated at the Washoe Medical Center and Edward Howe, 30, was admitted to the Veterans hospital.

Twenty-two people were hospitalized but none was believed in serious condition.

One body was found and at least 20 people are reported unaccounted for. There were 143 guests in the hotel when the fire broke out about 7 a. m. There are only guesses as to what happened to the 20 missing but it is believed some were buried in the wreckage. Firemen said there were still screams coming from the building when they were forced back by the flames.

NEXT THURSDAY IS REGISTRATION FINAL

Nevada County Clerk John T. Trauner called today to advise residents of this end of the county that Thursday, April 12 will be the final date to register to vote at the June 5 primary.

Those who did not vote at the last general or primary election, who have changed their name or party affiliation or have moved to a new precinct, or reached the age of 21 should register at the office of the Truckee Public Utility District where Mrs. Eve Hallett is deputy registrar.

For the convenience of residents who are unable to get to the office during working hours, Mrs. Hallett will keep the office open from 7 to 9 p. m. Thursday night.

ATTRACTIVE POSTERS DISPLAYED FOR SHOW

An eye-catching dash of color has been added to the many spring window displays in the area with the addition of spicy flaming folies posters prepared by the Truckee Fire-ettes.

The attractive, colorful posters advertise the flaming folies to be presented at the old elementary school in Truckee, Friday and Saturday, April 27 and 28.

JOHN HOLLEY WILL COMPETE FOR AWARD

John Holley, Jr., will represent the Tahoe Truckee High School at the annual Bank of America high school achievement awards competition in Marysville next Tuesday, April 10.

Holley is competing in the science and mathematics division. The judges will interview 28 eligible student candidates at the zone event in Marysville.

From their evaluation of the candidates' scholastic records, school activities and personalities will come four first place winners who will compete in area finals to be held in Sacramento next month.

Snow Sports—

The youth of Colfax Baptist Church journeyed to Soda Springs Saturday where they enjoyed spring snow sports.

Adjustment Made In Water Rate By District Directors

A proposed adjustment in the water rates which is expected to produce approximately \$2,900 annually, has been set up in an ordinance adopted by the directors of the Truckee Public Utility District, effective May 1.

Under terms of the ordinance, published elsewhere in the Sierra Sun today, there will be no increase in the present monthly minimum for the first 4,000 gallons.

However, from 4,000 to 20,000 gallons there will be an increase of approximately \$1 per month and from 20,000 and more the increase will approximate \$1.50 per month.

In making the announcement, Manager Francis Longo pointed out that during the year 1960-61, the district lost nearly \$10,000 on its water operation. This was due largely to operating costs, Longo explained, and the 1961-62 loss should not be more than \$2,000.

The ordinance was designed to protect the small householder and through a minimum raise to divide the cost among the larger users, Longo said.

Snow Content Is High In Moisture

A recent snow survey by the U. S. Forest Service on the headwaters of the American river shows a 124 per cent above normal water content.

The average depth of the Haysink snow course was 142.2 inches of snow which held 57.9 inches of water. This water feeds the north fork of the American river from the 6,600 foot elevation. Last year at this time there was 71 inches of snow holding 29.3 inches of water.

Big Bend District Ranger Pete Wyckoff and John Corbett from the Tahoe National Forest supervisor's office skied up to the snow survey course. These surveys are made in cooperation with the California department of water resources. From the snow surveys the department publishes information of benefits to water users within the state.

RED CROSS MEETING AT ALPINE FRIDAY

American Red Cross directors and volunteers of the Lake Tahoe branch of the Sierra Nevada Chapter will meet in Truckee at the Alpine Riverside dining room at 7 p. m. Friday, April 6, to organize the area fund drive and swim program.

Dinner will be available for those desiring to eat during the meeting.

Mrs. Marie Henry, a director from Tahoe City, said this is a very important meeting and everyone interested is urged to attend. Mrs. Ruth Campbell from the chapter office at Reno will attend the meeting and direct activities.

MRS. HASWELL FETED AT BIRTHDAY DINNER

Mrs. Fred Haswell was feted at a dinner party given in honor of her April 1st birth date, by her parents, Mr. and Mrs. Elden Tonini.

On Sunday, the family including the Haswells and Toninis, Mr. and Mrs. Robert Tonini, Mrs. Mary Zunino motored to Sacramento where they attended a Bon Voyage party given for Mr. and Mrs. Tom Barbas who are leaving for a five months trip to Europe.

MRS. VIRUS HONORED AT BIRTHDAY PARTY

Mrs. Glenn Virus was complimented at a dinner party, given by Mr. and Mrs. L. R. Brunsanah last Saturday in honor of her birth date.

An elaborately decorated cake, in shell pink icing was served for dessert. Mr. Virus, their son, John, and Mr. and Mrs. A. E. Burlingham were other guests during the pleasant affair.

From South—

Richard Joseph and sisters, Mrs. Roxie Archie and Mrs. James McIver have returned from a trip south with stays at places of interest, en route, including Mexico.

Silver Belt Race Is Set For Sunday; Stars To Compete

SUGAR BOWL — The biggest amateur ski event of the year is scheduled Sunday at Sugar Bowl when the 20th annual Silver Belt Race will be staged.

Among the star racers entered will be Buddy Werner who will be out to avenge his loss by one-tenth of a second last year to Chuck Ferries.

Jimmy Heuga of Tahoe City will also parry runs with his FIS teammates. Jim now attends University of Colorado and his coach, Bob Beattie will set the course.

Linda Meyer will renew her duel with Beverly Brockway of Los Altos. Both were on the 1960 Olympic team.

A number of other internationally known skiers are to be among the distinguished competitors.

Tahoe Chamber Seeks Man Of Year

KINGS BEACH — The office of the Lake Tahoe-Sierra Chamber of Commerce announced the start of a contest to name the "Man of the Year" for the North Sierra Lake Tahoe area.

The contest, which begins today, is an annual affair and has previously named Prentiss C. Hale and Joseph F. McDonald. According to Fred Schultz, chamber manager, the man of the year committee met Monday to set guide lines for this year's contest and decided that the "Man of the Year" for 1961 would be a local resident of the North Sierra Lake Tahoe area.

In addition the committee ruled that nominations would be solicited throughout the local and market areas of Lake Tahoe thereby allowing Lake Tahoe's interested friends to participate in this activity. The award's recipient will receive a perpetual trophy and be the chamber's guest of honor at its annual spring membership meeting.

The following list comprises the rules for making nominations:

1. The "Man of the Year" must be of legal age, a resident of the North Sierra (Emerald Bay, north through Tahoe City to Brockway, Squaw Valley in California; Crystal Bay south to Glenbrook, in Nevada) Lake Tahoe area.
2. He must have performed a vital voluntary community service during the calendar year of 1961.
3. All nominations must be made on official entry blanks provided by the Lake Tahoe-Sierra Chamber of Commerce and must be accompanied by a letter stating the community service being recognized.

BISHOP APPOINTED FOR CATHOLIC AREA

Father Patrick Coffey announced yesterday that Auxiliary Bishop Alden J. Bell of Los Angeles has been appointed Bishop of the Sacramento Diocese by Pope John XIII in Rome.

Bishop Bell will succeed to the position previously held by Archbishop Joseph McGucken, now of the San Francisco Diocese.

Bishop Bell, a native of Canada was ordained May 14, 1932, going to the Los Angeles area in 1956. He has been a visitor in northern California a number of times, prior to his current appointment.

TRUCKEE YOUTHS TO ATTEND RENO MEET

Sponsors for the two Youth for Christ groups in the Sierra Bible Chapel received an invitation for their junior high, senior high and college age students to attend an Inter-Varsity Christian Fellowship meeting at the University of Nevada. The youth rally will be held Friday, April 6 at 8 p. m. in the dining room for the faculty of the Students Union Building.

Speaker for the occasion will be Don Shinnick, professional football player with the Baltimore Colts, and now a student at Fuller Theological Seminary.

HIGH SCHOOL PTA TO HOLD MEET AT LAKE

The Tahoe Truckee High School P. T. A. meeting April 12 will be held at Kings Beach.

All interested parents and friends of the organization are asked to attend.

Bud Jones Dies As Fire Demolishes Ancient Structure

Tragedy struck hard at Squaw Valley Sunday evening about 5:30 when one of the area's most widely known residents, Wallace Joseph (Bud) Jones, 57, was cremated in his home.

A wood stove was blamed for the blaze which completely destroyed the 100 year old structure—the oldest house in the valley where the victim lived alone.

Would-be rescuers stood helplessly, unable to enter the flaming structure which was quickly enveloped in flames. Witnesses said they could hear Jones screaming for help but it was impossible for them to get to him.

The fire was discovered by State Patrolman Bud Meixner who turned in the alarm.

The Tahoe City Volunteer Fire Department, under the direction of Chief Al Henry responded to a call but was unable to halt the flames which had engulfed the ancient structure.

Jones came to Squaw Valley in 1932 and was widely recognized as a hunting and pack train guide. He was a frequent visitor in Truckee and will be missed by scores of friends.

Deputy Coroner Harry Johanson of Tahoe City took charge of the body which was removed to Colfax.

Last rites were held in Auburn yesterday and was attended by scores of local friends. Jones leaves two brothers, both residents of the valley area.

State Allocates Fund For Shortcut

The California Highway Commission has allocated \$325,000 for grading and paving to realign the Truckee shortcut (FAS Road 1245) between Sign Route 28 at Kings Beach and 2.6 miles northwest.

This project, which will be finished this year will complete the rebuilding of the shortcut, most of which was accomplished last summer.

Last summer the route was closed while Placer County proceeded with the FAS contract, but it has been assured that the 12 mile road, connecting Truckee with North Lake Tahoe will be kept open this summer, despite construction.

PRE-EASTER MUSIC PROGRAM TONIGHT

TAHOE CITY — A varied program of pre-Easter music will be offered to the public in an a cappella concert to be held at the Olympic Village Hotel in the Athletic Center of the site of the Winter Olympic Games tonight at 8 p. m.

The Chico State Choir is making this one night only, appearance under the sponsorship of the Lake Tahoe Sierra Chamber of Commerce. The singers from Chico State have been chosen by the California Music Educators Association as the best college choir in California, according to a chamber spokesman.

RAINBOW GIRLS MEET TO GREET ADVISOR

Hope Assembly No. 18, Order of Rainbow for Girls received an official visit from Sue Panelli, grand worthy advisor of the State of Nevada, Sunday, April 1. Other grand officers from Hope Assembly included Tina Gruendemann, Ellen Rich, Donna Barnes, Joan Brown and Barbara Keen.

Founder's Day was celebrated by attendance of the members at church at Kings Beach, with Rainbow Mothers Club serving luncheon, following services.

The fifth anniversary of Hope Assembly was also observed at that time. Mrs. William Grimm is advisor of the local group.

Charles Whites To Observe 61st Date Of Wedding Soon

Friends and relatives of Mr. and Mrs. C. B. White of Truckee will extend felicitations to the well known couple on Tuesday, April 10, which will mark the 61st wedding anniversary of the couple.

Mr. and Mrs. White are members of early California families. He came from Auburn in 1896 to take the position of agent for the Southern Pacific Company and she arrived here in 1901, following their marriage in her parents' home at Sacramento.

Both have been members of the Order of Eastern Star, No. 116 and he has held offices in the F. & A. M. Lodge. Mr. White has been instrumental in obtaining better highways in the area, worked for the establishment of a bank here in 1923, continuing as manager of the Bank of America, until retiring in 1939. During the many years of residence he has held many offices of trust in civic organizations and with Mrs. White has been active in church work.

Mr. and Mrs. C. Bernard White and daughter, Miss Marilee White of Sacramento are the son, daughter-in-law and granddaughter of the celebrants.

No Direct Benefit Here From Taxes

Although the Truckee Donner district did not receive any direct benefits, the unincorporated area of Nevada County during the last quarter of 1961 received \$45,027, the state board of equalization reported.

Nevada County as a whole received \$74,410 from the one per cent local sales and use taxes for the last quarter of the year.

The total sales and use taxes collected under the 1 per cent local tax for the quarter was \$66,086,970, of which advance payments of \$58 million were made in February and \$8 million during March.

The board said the allocations during the first quarter of this year — for the final quarter tax collections—were up \$5.7 million from a year earlier. However, \$1.7 million of this gain was because San Mateo and Plumas Counties and their cities were not in the program a year earlier.

DOUBLE DUTY PUTS STRAIN ON HIGHWAY

Traffic over Highway 40 between Truckee quarantine station and the freeway west of the summit reached an all-time record for congestion Sunday when travel which normally flows over Highway 50 was rerouted here because of a rock slide at Echo Summit.

State Patrolman Carroll Maynard, who patrolled the congested area, said that in his ten years of service here had never witnessed such a tieup. He assisted 37 vapor locked cars off the road and in two or three instances was called upon to avoid panic by restless travelers.

From 3 until 8:30 p. m. cars traveling in both directions were bumper to bumper and moved at a snail's pace, with passing prevented because of the close proximity of the thousands of vehicles.

COMMITTEE MEETS TO DISCUSS REGATTA

The regatta committee of the Truckee Donner Chamber of Commerce, sponsoring the outdoor races this year, met at Donner Lake Lodge Tuesday night to take the first step toward organizing. No definite action was taken. Meeting was President Richard Higgins, Manager N. F. Dolley, Ivan Tofft, Marcella Corro, Hal Welch and Richard Walker.

Complete details will be worked out at a meeting in the near future. The races are slated for July 7 and 8.

JOAN BROWN STARS IN PLAY AT SIERRA

Joan Brown of Truckee is one of the stars in the forthcoming "Theater in the round" production, "Born Yesterday" which will be presented by Sierra College on five consecutive days, April 10-14. The play will be staged with the audience completely circling the actors in the campus music-drama building.

Highway Deer Kill Survey Promised As Aid To Study

With local sportsmen and fish and game officials differing in opinions, no decision was reached at the meeting held Friday night in the old elementary school in Truckee to discuss means of improving deer hunting in this district.

Nearly 100 people attended the meeting called by the Truckee Outdoor Sportsmen and presided over by President Robert Moore, to hear arguments pro and con on a recommendation by the sportsmen that the season be shortened by two weeks to permit a greater survival of bucks and a subsequent larger fawn population.

Fish and game officials headed by Robert Montgomery, regional manager and Harvey Russo, game management supervisor from Sacramento, contended that the longer season, this year proposed from September 22 to November 4, was not lessening the herd, while the sportsmen, led by Director Charles Osburn held that a season from September 15 to October 16 was desirable to protect the herd which will be moving to winter range at a later date.

At any rate, the regulations will not be adopted by the commission until May 27 and in the meantime a highway deer kill survey will be conducted to determine whether or not the does are with fawn and if so in what percentage. The sportsmen hold that the fawn birth rate is declining because of a scarcity of bucks with the herd and the game officials charge this is not true, that there are plenty of bucks to maintain the herds.

The meeting brought out the fact that more than 400 deer were killed on the highways, east of Donner last year, 187 in May alone. During the hunting season, hunters killed only 412 in the same area, it was learned.

Montgomery said efforts would be made to have signs installed along the freeway, warning drivers of deer in the area. This, it was admitted, will not stop all the slaughter on the roads, but may save some of the diminishing deer.

The highway kill survey will provide information on the sex of the deer, the age and the number of embryos, Osburn said and will be conducted by the department officials.

TAHOE RESIDENTS URGED TO REGISTER

KINGS BEACH — Elections of governing officials may be months or weeks removed from this date, however voter registration in California for June primary election will close April 12, according to an announcement received from Lillian Rachenmacher, Placer County clerk. This information was released by the county clerk at ceremonies which ended with the appointment of Velda Farris, Lake Tahoe Sierra Chamber of Commerce office secretary, as deputy county clerk and registrar of voters.

Other deputy county clerks in the Kings Beach area are Ruth Lavery, M. H. and Prudence Dodd. In Tahoe City residents may register to vote with Marie Henry and in Squaw Valley, a registration booth has been established in the Smokey Bear Cafe.

HEALTH GROUPS IN REGION COMBINED

Final arrangements for the merging El Dorado and Placer-Sierra Tuberculosis and Health Associations were recently completed at a special meeting in Placerville, reported Executive Director Veta Owen at the Placer-Sierra board of directors dinner meeting held in the Auburn Hotel on March 19.

The merger became effective April 1 and will be known as Tuberculosis and Health Association of Placer-Sierra-El Dorado.

PTA WILL SEAT NEW OFFICERS APRIL 9

President Richard Higgins and other officers for the coming year will be installed the evening of April 9, at the meeting of the Truckee Elementary School P.T.A. to be held in the school.

John Corbin will speak on the coming bond election and members of the school's band will entertain with several selections. Refreshments will be served.

FIRE-ETTES TO HOLD MEETING AT ALPINE

The Truckee Fire-ettes will meet at 6:30 this evening to inspect the addition to the local fire house before going to the Alpine Riverside Hotel an hour later for the dinner meeting.

The ladies of the firemen's auxiliary are raising funds to purchase a coffee maker and suggest that tickets for the coming Flaming Folies to be presented April 27 and 28, may be obtained at the meeting, at Donner Trail Realty, Tourist Liquor Store or Gateway Laundromat.

A smash success was the "Crimson Garter Snowshoe Race," the April Fool's Day event sponsored by the Lake Tahoe Ski Club last Sunday at Alpine Meadows. The events, narrated by Master of Ceremonies Ted Stollery, were witnessed by more than five hundred enthusiastic spectators.

The director of the races, Chairman Dottie Caulkett, announced that although many course records were broken no bones were broken. Judges awarded first prizes of magnums of champagne to the Tahoe Forest Hospital Auxiliary, the Tahoe City Rotary Club and the Monday Night Bridge Club teams for the fastest time for women, fastest time for men and best costumes, respectively.

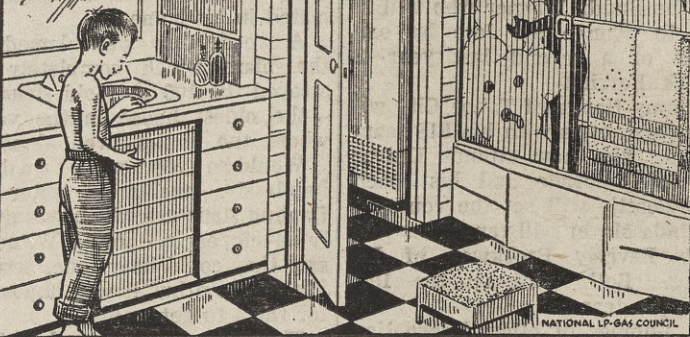

Individual prizes went to Dan Hauserman, last on course; Marty Rieck, first on course; Bob Pomin, most crooked judge; Bud Mandeville, fastest on course; Maggie

CHANGING SCENE 1912-1962

50 YEARS AGO—SATURDAY NIGHT WAS THE MOST MISERABLE NIGHT IN THE WEEK, ESPECIALLY FOR THIS OLD GENTLEMAN.

TODAY—MODERN FAST RECOVERY LP-GAS WATER HEATERS PROVIDE PLENTY OF HOT WATER FOR ALL FAMILY BATH, LAUNDRY, AND KITCHEN NEEDS AT ANY HOUR OF THE DAY OR NIGHT.

Stollery, best sportsman; Rosemary Lindsey, meanest gal on course; Doug Farrar, biggest nuisance on course; Dr. Marvin Schwartz, weakest man on course; Fire Chief Al Henry, least team support; Don Snyder and Charles Cross, Jr. most diabolical minds; and Dorothy Caulkett, best garter maker.

A protest is expected to be made by Larry Lindsey, who snowshoed for the Rotary Club. As a result of his antics on course, the judges barred him from all future snowshoe competitions.

Leaving for an Hawaiian sojourn next week are the Dan Hauserman's of Homewood. They expect to sun-vacation for three weeks.

Celebrating a birthday on March 30 was young Roger Kahn, son of the Herb Kahns of the Highlands. The family celebrated his birthday by seeing the Kingston Trio show at the south shore.

Winning a majority of the trophies at the Coddington-Wetzel junior ski race held at Sky Tavern last Sunday were the junior racers of the Lake Tahoe Ski Club.

Among those participating in the giant slalom and jumping contests were Greg Moore, Paul Sullivan, Lance Poulsen, Karen McBride, Diane McBride, Stephanie Snyder, Alice Calhoun, Eric Poulsen, Mark Sullivan, Doug Lindsey, Greg Jones, James Long, Sandra Poulsen, Jimmy Kastrup, Bro Shontz, Greg Jones and Nick Wigaard.

Taking her first trophy in competition was nine year old Leslie McBride of the skiing McBride family. Leslie captured a third place in the class V slalom competition. Accompanying the Thunderbirds to the races was Assistant Coach Paul Steinhauer.

Starring in the national veterans FWSA competition at Sugar Bowl last weekend were local skiers Jim Baker, Peter Klausen and Bud Jones. Baker won the combined events in Class I competition with a first in the giant slalom and a second in the downhill while Klausen took second honors in the same division with a second in the slalom and first in the downhill. Jones competed in the Class II division and captured a second in the giant slalom.

Mrs. Max Hoff and children Peggy and Tommy of the Chamberlands weekendened in Dobbins with the Orville Ingram family.

Expected to compete in the Silver Belt ski competition to be held at Sugar Bowl is young Jim Heuga of Lake Forest and the University of Colorado. Other local competitors will be Jim Baker and Peter Klausen.

A signal honor was granted young Vicki Jones of Carnelian Bay when she was asked to fore-run the course for the girls at the Silver Belt.

Observing a birthday last Monday was Mrs. John Tilton of Tahoe City.

Testing the ski slopes at Aspen, Colorado last week was Paul Rivard of Dollar Point.

A festive session of the Monday Night Bridge Club was held this week at the heated Highlands home of Elaine Kahn. The club was celebrating the victory of their team at the "Crimson Garter Snowshoe Race" held at Alpine Meadows last Sunday. The Bridge Club team garnered honors for their unique costumes and were awarded a magnum of champagne. Snowshoe team members Rosemary

Mr. and Mrs. Russell Brown who spent two months in Palm Springs and other southern California places, are again greeting Kings Beach friends. Brown remarked that they are glad to be back that Kings Beach is hard to beat.

Coming from San Francisco, Edgar Schofield is now at Goldcrest Resort Motel, Kings Beach.

The Jack L. Roses were planning to be back in Tahoe City the first of April, after a pleasant sojourn in Arizona and southern California.

Alice Gebhardt wrote that she is returning to Tahoe City from Daly City where she spent the winter.

Mrs. Rad Kiefer's address change has been from Tahoe City to San Leandro.

SUPERVISORS ASKED TO HAVE DOG LICENSE

NEVADA CITY—Nevada County must license dogs older than 4 months, the board of supervisors was informed by letter from the State of California.

It must further require a rabies vaccination as a prerequisite of licensing.

Supervisors filed the letter for consideration at budget time.

NEW INCLINE FAMILY

INCLINE VILLAGE — Former San Jose business man Douglas P. Gaeta and his family have become Nevada residents upon occupying their new home at Incline Village on the north shore of Lake Tahoe.

Gaeta, his wife Alice, and their three children are now living in their new residence on Ponderosa Ave. The children are Bambi, a student at Tahoe Truckee high school, a son Douglas attending Kings Beach elementary school, and a son Randi of pre-school age.

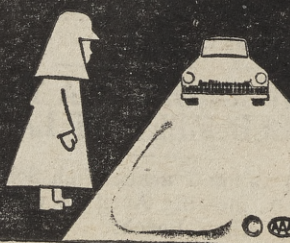

Lindsey, Chic McBride and Elaine Kahn shared honors with bridge winners Becy Shontz and Liz LeGras.

Eddie Hoff and Vicki Jones, Thunderbird junior skiers, were big winners at the Schrader Memorial races held at Mt. Shasta last Sunday. Eddie was a first place winner in the Class II competition for boys while Vicki, national girls' junior champ, made the best time of the day in the girls competition and second best counting both boys and girls time.

A casualty at the Mt. Shasta races was young Tommy Easterly of Tahoe City who suffered a broken leg while competing there.

Bill Keehn of Tahoe City may claim he's no fool but his family celebrated his birthday last Sunday—on April Fool's Day.

DRINKERS ADD BIG SUM TO STATE FUND

SACRAMENTO—(CNS) — Californians lived it up to the tune of 273,713,000 gallons of liquor, wine and beer during 1961 and the state came out \$54 million richer through excise taxes.

The state board of equalization reported wholesale distributions of distilled spirits were 29,243,000 for the year, along with 238,306,000 gallons of beer and 35,259,000 gallons of wine.

Distilled spirits, up 6.5 per cent from 1960, produced \$43,864,000 with the \$1.50 per gallon tax. Beer sales, up 2.5 per cent, produced \$9,301,000 through the tax of 4 cents per gallon. Wine sales, also up 6.5 per cent, produced \$820,000 in taxes.

The board said the apparent per capita consumption in California for 1961 amounted to 9 fifths of hard liquor, 10.5 fifths of wine, and 58 quarts of beer. This compared to a per capita consumption for the entire nation during 1960 of 6 fifths of hard liquor, 4.5 fifths of wine, and 62 quarts of beer.

GOOD LIGHTING IS NECESSARY ON CARS

One of the most valuable aids to foul weather driving is your car's lighting system, if it is in good condition and put to proper use, California Highway Patrol Commissioner Bradford M. Crittenden said.

"Lights have a dual function: First, to illuminate the roadway for you; second, to warn other vehicles of your presence."

"Many drivers apparently overlook the second purpose, driving through rain or fog with lights out. Perhaps they feel that visibility is adequate to operate their own vehicles, but they forget that

FRED NAGEL TO RUN FOR CONGRESS POST

Fred Nagel, Susanville rancher and candidate for congress is 1960, today took out nomination papers for his candidacy for representative to congress in the 1962 Republican primary for the second congressional district.

In filing for the June primary, Nagel stated:

"My campaign will be dedicated to bringing a new sense of political honesty to Congressional representation of California's Second District. I will point out the left-wing liberal voting record of my Democratic opponent in Congress, and I will thoroughly discuss my own platform of fair play for all voters, including reduction of governmental waste, reduction of unfair taxation and a foreign policy designed to advance the cause of domestic and world-wide freedom. I will welcome the support of all Republicans and all good-government Democrats in my crusade to bring responsible and fair representation of all the people back to the second congressional district."

it is extremely difficult for them to be seen by other drivers or pedestrians.

"The safest course is to turn your lights on if vision is at all reduced by weather conditions. Remember to use your headlights, not parking lights. It is a violation of the law to drive with only the parking lamps lighted."

The commissioner also cautioned motorists to check periodically for burned out lamps. "It is particularly hazardous to following vehicles when brake lights or tail lights are not functioning, and confusing to approaching vehicles when one headlight is burned out."

SUMMIT SCENE

By FRAN COUILLARD

OVER L—The "Frankly Fifties." Eleanor Johansen chewed on the end of her ever present knitting needle with a far away glow in her eyes. Says we, "what gives and a penny for your pensiveness." Says she, "remember your article about the P.W.P.'s — (Parents Without Partners?) Well, I am cogitating on an Over L Club for our old timers division up in our Donner Area."

"An Over All Club?" says we.

TRUCKEE-DONNER

"So you don't know your Roman Numerals" — answered she disgustedly.
And so I finally got it. An Over Fifty Club.
"The only thing" says Eleanor, still musingly. "We know a lot of over fifties—but do you think they will admit it?"

"I'll incorporate it in my article. That's what I'll do," says we, "and we shall see what reaction we get."

After all, the time has gone by when we over fifties keep perennially on that 49 side of the fence and refuse to peek over into the later part of our coming up half century. (Even if we are already in it.)

For the modern gal with her expensive creams, her scientific diet, her bleaches, and above all her youthful attitude more or less gratified when she says "guess my age" and watches the astonished look that comes over the quizzers face when one honestly tells him (or her). And we think of Marlene Dietrich mostly

1960 Winter Olympics to California.

The eastern Sierra link may carry the names of Stevens but its a prediction that present day residents and posterity will still regard Nevada County's only transcontinental pass (other than the orphaned and neglected Henness Pass) as Donner Pass. And there you have it again.

Down to business. We are honored and flattered by being chosen by an entire high school as the place they would rather stay than any place else. Imagine a whole high school? Of course it is the smallest high school in the state but what difference — it is still a whole school. We are referring, in case you do not know the smallest high school in the state—to the Allegheny High School which is composed of less than 20—students, teachers, and the whole educational institution. Now if I were going back to high school that is the school I would choose. A school like this is equivalent to a private school — wouldn't you think? And when they have a holiday—well, everybody goes. Not just the senior class of 1963—or something like that — but everybody. And they are coming up for an overnight stay and a day of skiing.

Had an interesting trip last week —between sessions at the state library—and said trip was to a place called Union City where an aunt and an uncle of mine recently entered the beautiful Masonic home. A great many of my readers contribute to this institution—but I wonder how many of you have visited there? I do not have the time to go into my usual ecstatic rhapsodies about something that enthralls me—on this subject, but if you haven't been a visitor you should make it a point to take it in sometime. Not only is the physical site beautiful but the atmosphere is anything but conducive to a "home" feeling. Television rooms, beautiful libraries, an immense and friendly dining room, an auditorium where movies are shown. The decor is warm and cheerful and I say, without reservation, that I have never been in this type of place before where I felt so "at home" immediately. My childless uncle and aunt who are in their late 70's chose this beautiful spot for their retiring years—and I truly believe that they appear 10 years younger than when I saw them last.

And Tommy Gangler of Donner Summit Lodge "came off" first in a junior division of the Yuba Sutter Ski Club race.

And Bud Zorich came home from the Sugar Bowl with a Veteran's Race Trophy.

And let's see—the Berkeley Ski Club will have their Beer Race on the Soda Springs Ski Hill next weekend.

Max Williamson announces that the Soda Springs Ski Hill will keep open daily on that week right after Easter. And, I think, one weekend thereafter.

Which all in all means that the season is quickly drawing to an end and I'll have more time for my "Campaigns" so far as reporting is concerned. Hah.

UNFLINCHING FRAN

San Francisco has nine standard radio broadcasting stations, six frequency modulation stations, five television stations, one coastal telegraph radio station for offshore boats and one coastal harbor radio station for boats in the harbor.

start a library of funny books for the kids so that they will leave our funny books on the magazine racks. Or—here I hark back to former columns and my pet peeve—it might be nice to charter a bus once a year and all pack a lunch. Say bananas, oranges, canned beer, chicken legs, dirty socks, lots of one gloves, broken goggles, ski pole tips, and pop bottles and drive to northern area cities—where we will go to the best residential districts and sit on lawns and have our annual picnic. Then we will leave the residue of our fine lunches on their lawns. And see how they like it. Our lots of snow is melting now in spots and already the blight of the city folks is coming to view. Yep—I kind of like this last mentioned project best of all.

No kidding. I went to the state fair this past year and my most enjoyable moment was sitting on a bench in front of the band stand whilst the "Pensioner's Banjo Club"—about 100 of them—entertained us noisily, harmoniously and mightily. And anyone who saw this found out that the "over 65ers" were having a heck of a good time too—plunking away.

So—your Soda Springites—and Donner Summitites OVER L let's get on the ball and be the first chapter of this inspirational idea of Eleanor's. And I'll be the first to join. This club will also take in associate members who are seasonal inhabitants, too.

Away with levity. I haven't finished my research as yet on Mr. Stevens. However I have a sheaf of editorials by the Grass Valley Union on hand that forcefully takes the same attitude as do I and this makes me feel much less alone. I can name a lot of Truckeeites (but won't do so) who meet me on the street of this fine metropolis as I furtively sneak in and out of door ways once a week, who pull me out into the open and proclaim "stick to your guns. We are behind you." But I guess they are way behind because I haven't seen anything of a united front marching militantly with banner flying in my Joan of Arc lonely crusade. May I say before I get side tracked that when any type of vehicle goes over the top — no matter where they cleave it that it will still be Donner Summit? And quoting a little bit from the Union, "no amount of resolves" is going to change the habits of a lifetime and a lifetime before that. The area belongs to the Donners, if not the Donners why not Theodore Judah, or Jim Bridger or Snowshoe Thompson or Alex Cushing who brought the

TRUCKEE RESIDENTIAL ELECTRIC RATES AMONG THE LOWEST IN THE STATE

Following is the result of an investigation and report of the operations of this District made by Consulting Engineer Edwin Fleischmann of San Francisco, in 1959, at the instigation, by petition, of a group of citizens of Truckee. The report states, that of all communities throughout California served by Private Electric Companies, ranging in population between 2,500 and 3,000; 16 served by Pacific Gas & Electric Co.; 6 by Southern California Edison Co.; and 4 by California Oregon Power Co.; 3 by San Diego Gas & Electric Co.; and 1 by California Electric Co.; the average cost for Residential Electric Service as compared with Truckee Rates was as follows:

	Average	Private Companies	Truckee PUD
25 KW		\$ 1.86	\$ 1.22
40 KW		2.56	1.89
100 KW		4.62	4.59
250 KW		7.80	7.20
500 KW		11.00	11.70

This comparison is taken from the Federal Power Commission's listing of "Typical Residential Electric Bills" in California for communities of population of between 2,500 and 3,000. No federal report is made on communities of less than 2,500 in population.

Publicly Owned and Operated Electric Systems are not included in the Federal Report. All such systems are operating in larger populated areas; Truckee being the smallest community in California owning and operating a Publicly Owned Electric System.

Yet a little sleep, a little slumber, a little folding of the hands to sleep: So shall thy poverty come as one that travelleth, and thy want as an armed man."

A correlative passage to be read from "Science and Health with Key to the Scriptures" by Mary Maker Eddy states (p. 240): "If mortals are not progressive, past failures will be repeated until all wrong work is effaced or rectified. If at present satisfied with wrongdoing, we must learn to loathe it. If at present content with idleness, we must become dissatisfied with it."

Women's Club of North Tahoe met at the Crystal Bay Club for the March 26 luncheon meeting. President Pearl Kientz officiated at the meeting. Following a business meeting, Laura Wilson of Tahoe Pines gave a book review on Boswell's Johnson, a selection of the Great Books Discussion Group of which she is a member. This

group has met twice monthly for the past six years. Mrs. Wilson gave a very interesting and informative review of the book—a biography of Samuel Johnson who compiled the first English dictionary. Welcomed as a new member in the Women's Club was Ann Wilkens of Tahoe Vista. The luncheon tables were decorated in pink and green candles and a beautiful azalea plant abloom with pink blossoms. New member, Ann Wilkens, held the winning number and received the plant. Plans for the April 30 meeting

were discussed. Lee Aversente, president of the Campbell Garden Club, will present the program. Lee has done a flower arranging show, ceramic work, at two previous occasions, and is well known throughout the Santa Clara Valley for her work. Also has received recognition for her work in organizing a junior garden club—the first ever formed—for girls of high school age. Lee will bring fresh ideas in flower arranging, gardening and an interesting program is assured. The meeting place will be announced. Pearl Kientz announced that a nominating committee would be

appointed and a board meeting would be called in the next week. Happy birthday, April 9, to Ceta Hooper of Brockway. A motion picture on banking was shown the members of the Rotary Club on Monday night according to program chairman, Mex Springer. President Sam Faulkner presided at the meeting. Tom and Theresa Sutton of Kings Beach and John and Jeri Rayburn of Incline Beach have returned home after a short vacation to Tecopa Hot Springs.

Andy Sorensen of Tahoe Vista is a patient in the Veterans Hospital at Reno the past couple of weeks. Surgery is anticipated before he will return home according to wife, Alice. However he is getting excellent care and is comfortable. Alice is fine and busy. Happy birthday to Russell Potts, son of Jerry and Pat Potts of Tahoe Vista who had his 7th birthday on March 3. Jerri Potts of Tahoe Vista made a short business trip to the bay area last week.

Happy birthday to Ruby Clackett on March 25. Celebrated with husband, Johnny, Johnny and Virginia Flag and Vince and Pearl Kientz at the South Shore room where they enjoyed dinner and the Kingston Trio. A spaghetti dinner prepared by chefs Henry Smith and Gene Faulkner was enjoyed at an after lodge feed by the Elks and their guests at the Elks Club in Tahoe Vista. About 80 persons in attendance declared the spaghetti the best ever. Jack and Velda Farris of Kings

Beach were Sacramento visitors last week. Jack's mother, Pauline Kolb of North Hollywood, has been a guest of the Farris' and of daughter and husband, Robbie and Gwen Robinson the past couple weeks. Mrs. Kolb accompanied the Farris' to Sacramento, where she returned home. Fred and Alsyne Schultz of Tahoe Vista attended the Placer County Chamber of Commerce meeting at Rockin Thursday night. Optimist Club met Wednesday evening at Crystal Bay, Bill Ellison, president officiating. The club

heard three contestants, David Sorani, freshman at Tahoe Truckee high, Kent Fugazi, Kings Beach and James Drummond, Truckee

speak on "The Creative Force of Optimism." Judging the contest were Gregory Engelhard, Sylvia Nance and Selby Calkins. David Sorani was named the winner of the Optimist International Boys Oratorical Contest. David will compete in a zone contest at Chico.

Bill Goodhue was coach for the boys. Members and their wives attended the meeting of approximately 60 persons. Guests of the Optimists were Dave Ashton of Kings Beach.

Bonnie Barnett and Theresa Denton of Kings Beach were San Francisco visitors several days last week on a combination business-pleasure trip.

Captain Harry S. Hooper of Brockway departed for Washington, D. C. Tuesday on indefinite navy active duty orders. Driving to Washington with Harry was Commander Joseph Nemanic of Marysville. Tentative date of release is July 15.

Lt. Com. and Mrs. Gene Wigginton of Reno were Sunday guests of Harry and Ceta Hooper at Brockway. Weekend guests were Francis and Juanita Clark of Marysville.

Noble and May Z. Murray have a home under construction at Carson City. Regular little Kings Beach in the Murray's neighborhood. Others with property nearby are Lynn McGill, Walter Pope, Skeet Thompson, Harry Hooper and Ray Plunkett.

Noble drilled a well and hit 112 degree water which he says will be great for radiant heat and a heated swimming pool.

The planning commission left the lateral streets open for naming and the Murrys have named their street after daughter, Cathy. Skeet has honored son, Brad, by naming their street after him.

Slim and Icky Laborde of Kings Beach-Reno were Stockton visitors several days last week.

Pearl and Ted Draney of Incline Beach spent Thursday in San Francisco. Visited Pearl's sister, Carol Harris, at Fairfield on the way home.

Jimmy and Emma Jean Hume have returned to their Crystal Bay home from Los Angeles. Understand the opening date of the North Shore Club is May 26.

Flying up from Los Angeles to Reno and thence to Cal Neva to observe the progress in the construction of the new theater restaurant were Sandy Waterman, Henry Cherry, Mickey Rudin, Henry Sanicola, Dave Jacobsen and wife, and Les Belmouth and wife.

Understand the plans call for a helicopter landing atop the new building.

New stores will be at the north end of the building, according to present plans.

First aid dinner at Crystal Bay on Sunday honored Marie Henry of Tahoe City. Marie was presented a gift in appreciation of her work in organization of the classes. Among those present at the dinner were John and Lila Gorrindo, Richard Weber, Mr. and Mrs. Robert Anderson, Floyd and Gloria Frakes and son Brian, Louise and Otto Walter, Jacquie and Ed Black, Marj and Charles Walker, Mr. and Mrs. Bill Niday, Lonnie and Jo Ross, Donna Stumbo, Chris and Tom Hoffman, Pearl and Ted Draney, Charles and Betty Rich, Joe and Ella Rae Fulton, and Audrey Welch.

Congratulations to Bill Niday who received the highest grade in the finals of the advanced first aid course.

Billy Beeman, son of Marj Walker of Tahoe Vista, is confined in the hospital at Huntington Park with pneumonia.

The Tahoe Vista Conference Association met Wednesday night at the home of Tom James, president of the organization. Present at the meeting were Helen and Bill Elliott, Marj Walker, Bethel Van Tassel, Al Berghardt, Stan Gray and Tom and Hazel James.

Happy birthday to Mark Price, son of Harvey and Harriett Price of Kings Beach, who was seven years old on March 29. Celebrated with a theater party with friends, David Ferrari, Stanley French,

Steve Brehler, Joey Cernusak, Gary Jones, Russell Potts, Canute Larsen and brothers, Gary and Howard. Ice cream and cake were enjoyed by the boys following the show.

Ed and Thelma Niernbere and daughter, Pat, of Tahoe Vista are on a two weeks vacation that will take them to Los Angeles, Colorado, Seattle and way points. Happy holiday.

H. C. "Pete" and Beverly Sullivan and grandson, Billy Schmidt, are newcomers to Tahoe Vista, moving here from Del Mar. Billy's mother, Sonia, is attending San Jose State College. Sonia skied with the British team in the Olympics and is the daughter of Dorothy McCoskie of Tahoe City. Welcome to Tahoe.

Lyle and Adeline Gunkel of Tahoe Vista motored to Sacramento to attend the Western Mobile Home Association dinner at the Sacramento Inn. Thence to Marysville where they visited daughter, Pat, and husband, Phil Edwards, and to Chico where son, Gary and his wife, Ann, are just getting settled in their new home.

Shirts and Skirts Bowling League winner in first place was the Crystal Bay Club, second place Incline Village Development, and third place, Cedar Glen Lodge.

The Crystal Bay Club team members are Tom Mutter, Paul Mullis, Edith Mullis, Dottie Martin, and Bill Martin.

Incline Village Development team members are Tim Mizner, Shirley Hulse, Thelma Zuber, Ray Gawronski and Jim Peterson.

Cedar Glen Lodge team members are Lyle and Adeline Gunkel, Clyde Wright, Pearl Martin, Jean Kimbrough and Harvey Martin.

Women's high scratch series, Pearl Martin, 532; high scratch game, Adeline Gunkel, 200; high handicap series, Dottie Martin, 642; high handicap game, Gunden Johansen, 243.

Rev. and Mrs. Richard Fowler and children Richard, Patricia, Susan, and Cheryl of Kings Beach plan an April vacation. Rev. Fowler has been released at his request from the Kings Beach Community Methodist Church as pastor as of May 1. He and Dean Martin of Kings Beach are planning a business in Sacramento where the Fowlers will move. Rev. Fowler will also attend Sacramento State College to get his B.A. in religion and plans to later attend the Pacific School of Religion at Berkeley.

V.F.W. Post 7077 and V.F.W. Auxiliary are planning a joint installation of officers on April 28, Saturday, at the Crystal Bay Club. Members and friends are extended an invitation to attend the festivities by out-going Commander Earl Gray. Installation is scheduled for 7 o'clock followed by cocktails and dinner at 8 o'clock. New V.F.W. officers to be installed are commander, Harvey Martin; senior vice commander, Noble Murray; junior vice commander, Eddie

TRUCKEE GETS LIFT AS COUNTY CENTER

"It could be that if and when the Truckee area incorporates, it could become the largest city in size in Nevada County and offer a challenge to existing municipalities in population."

Thus ended an editorial in the Grass Valley Union captioned "Truckee Showing Way to County in Energetic Action to Improve and Expand Municipal Activity."

The editorial points out that at a recent bull session, an objective speaker, acquainted and identified closely with western Nevada County, but a frequent visitor in the eastern end, unhesitatingly pointed to Truckee as the community in the county doing the best job in its own behalf.

The speaker, unnamed in the editorial, called attention to the various facilities which the people of this end of the county have fought for and obtained. These included the new and modern schools, the Tahoe Forest Hospital, the new airport, now under construction, the fire district, the utility district and other essential projects all of which were obtained through organization and by local taxes.

The speaker said that "the people of Truckee-Donner area, even without the advantages of incorporation had a finer sense of community values, what a community needs and future planning than most communities in northern California."

"At first," the editorial said, "his comment was taken lightly, but a quick re-examination disclosed that the Truckee-Donner area have more prospects in the making, greater vision for the future and above all a determination to get things done, than is found in most areas."

SIERRA COLLEGE TO SEEK FEDERAL AID

Sierra College has applied for a \$222,207 federal loan to build a new 30-man dormitory to house students from the outlying areas of the junior college district. The loan would be repaid from receipts from the housing and would not be an indebtedness against the district. The tax rate will not be affected.

College trustees authorized the loan application at last week's board meeting. If approved, Architect Gordon Stafford and Business Manager George "Bud" Alman predicted completion of the dormitory by the fall of 1963.

STEVENS WILL SEEK RETURN TO OFFICE

AUBURN—William R. Stephens, county auditor since 1935, has announced he will be a candidate for his eighth consecutive term at the June primary election. Stephens of Roseville, is former postmaster of that city before being elected auditor.

In a special arithmetic class being taught by Miss Mors the students receiving A's in a test are: Tommy Easterly, Anna Marie Connors, Joan Duttweiler, Tuck Rivard, Diane McBride, Chris Lehto, Tommy Hoff, Julie Hauserman, Mike Pelletier and Eric Henrikson.

TRUCKEE SCHOOL

KINDERGARTEN: Kathleen Wooton joined our class this week. She is a transfer from Kings Beach.

Laurie Bispo has returned from a week in Fresno.

FIRST GRADE: Children who had perfect spelling papers last week were: Jacquie Waller, Mike McGlade, Melissa Ciandro, Dawn Galonka, Kelly McQuary, Mary Kay Rose, Timothy Holloway, Arthur Vicario, James Manetta, Genie Vind, Laura Jordan, Kelly Shand, and Ronnie House. Two children missed only one word: Wess Merica and Louise Gomez.

SECOND GRADE: We have two groups of spelling. Group one has increased their list to 10 words. Group two has decreased their list to four.

Roni Lynn Neifert left. Her family moved to the valley. Arithmetic time tests are being given. The top two are Ida Reichlin and Kathy Osburn.

Carol Bunt is back after having mumps.

THIRD AND FOURTH GRADE: Last week was a "red letter week" for us. There were 21 one hundreds in spelling. Working especially hard were Karen Silveri and Russell Chandler.

Outstanding 3rd grade spellers for the quarter are Leslie Smith, Susan Anfield, Sharon Ford, and Nancy Rablin.

Fourth graders who have maintained an A average in spelling this quarter are: Dennis Weiler, Robert Hamblen, Joy Frates, Christine Juliot, Pam Laugenour, Diane Rose, Diana Steed and Pat Stone.

FOURTH GRADE: The following people got an "A" in spelling: Donne Comola, Sharon Conine, Eileen Hausauer, Susan Kenyon, Kay Snyder, Virginia Strobel, Shirley Westcott, Debby Wurst, Chuck Anfield, Larry Doyle, Larry Juliot, Ben King, Carl Mahon, Gary Shumacher, and Chris Wiser.

SIXTH GRADE: Henry Frates, Mike Kydd and Jennifer O'Bear received A's in grammar last week.

Mike Larsen, Jennifer O'Bear, Karel Sauby, Allison Spillner, and Jill Wurst received B's or better on the latest book report. Jennifer O'Bear, Sheila Rosamond, Karel Sauby, and Jill Wurst are the only ones attaining A level in penmanship.

Those who received 90 per cent or better on the last arithmetic test are: Mike Borden, Henry Frates, Bernie Hall, Pam Horman, Mike Kydd, Mike Larsen, Richard Martin, Jennifer O'Bear, Sheila Rosamond, Linda Russell, Karel Sauby, Allison Spillner, Ray Wiser, and Jill Wurst.

Recently we had a social studies test on Bolivia. Those achieving B or better are: Henry Frates, Pam Horman, Mike Larsen, Sheila Rosamond, Linda Russell, Karel Sauby, Allison Spillner, Ray Wiser, and Jill Wurst.

SEVENTH GRADE: Mrs. Baker's class is studying per cent in arithmetic. The students are making graphs to show the per cent of different things.

Jack Melugin is going to look up the English meaning of the Spanish named cities in California.

EIGHTH GRADE: This week we had two arithmetic tests. Those people having perfect papers on

DIVOT-DIGGERS

By BETTY KIELHOFFER

We are very happy to report that there was an excellent attendance at the Country Club meeting Monday evening. It looks as though this will be a very active group and I'm sure you'll be interested to know who the new officers are.

They are as follows: Bob Moore, president; Jim Walker, vice president; Mary Ann Haswell, recording secretary; Claudia Loynd, corresponding secretary; Bill Johnson, treasurer; Dorothy Leamon, membership chairman; Patti Fink, social chairman; John and Liz Carroll, handicap chairmen; John Firpo, tournament chairman; Betty Kielhofer, publicity; Charles Fink and Lauren Russell, directors-at-large.

Most of these people are new in these offices and seem very eager to get in harness. I predict it will be a whopping big summer and lots of fun for all the members.

Dorothy Leamon jumped right in and collected memberships from practically everyone there. If you don't have yours yet, see Dorothy.

The first home-and-home tournament of the season will be held at Grass Valley on May 6. Plans are being formulated now and a place will be designated to sign up for the trip. This is always a fun tournament and let's try to take a big crowd down this year.

Guess who's taking up golf? ... Dick and Jean Walker of Donner Lake. She said they recently took a trip where they indulged in a couple of lessons and are simply wild about it. I understand Dick is not feeling well at the moment but as soon as he is better, they will be joining us on the course. This is just another example of how the game is catching on around here.

The Fire-ettes Flaming Follies coming up on the 27th and 28th of this month are working up skits among all the clubs and the Country Club will make its contribution with Cliff Ellis and Dick Padlock performing together. Don't know just what they'll do as yet but we'll wager it will be good. This should be a real good show with all the local talent they are getting.

The girls have been working very hard on all the elaborately decorated posters you'll be seeing around town and they tell me some of the talent will actually be dressed in these spicy costumes. They are going on television, and all other mediums of advertising available. Should be a real humdinger. See you as soon as we have more news.

EXAMINATIONS WILL BE HELD BY STATE

Statewide civil service examinations to fill positions as driver license examiners for the state department of motor vehicles, were announced here by Richard A. Paddock, manager of the local DMV field office.

Final filing date, Paddock said, is April 6, for the examinations to be held April 28 in various parts of the state by the California State Personnel Board.

Salary range for the positions, open to men only, is \$415 to \$505.

Application forms and additional information on the positions and the civil service tests are available at the local DMV office, Truckee.

Grover Cleveland, twice president of the United States (22nd and 24th) was born at Caldwell, N. J. in 1837.

The mixed fundamentals were: David Douglas, Barbara McCallen, John Sturke, Margie Harper, and Lorraine Davis. The second test was on problem solving. Those getting A's were: Janice Randol, Fosten Wilson, and Paul Jensen.

NEW RECORDING PLAN WILL START IN OFFICE

Nevada County will adopt a new system of recording legal documents that will cut costs by 60 per cent and more than double the utility of existing storage space, Recorder Theodore Kohler, Jr. announced.

Kohler said his office will convert from the outmoded method of photo copying records to a new microfilm recording system as soon as personnel are trained in the use of a microfilm camera.

He explained that in addition to the savings in cost and storage space, the new system provides microfilm master copies for a permanent security file.

When the system is put into operation, he said, all documents presented for recording will be photographed on 35 millimeter film from which the records will be reproduced on reduced size, 100 per cent rag bond paper which will be cut, trimmed and bound in book form and filed for public reference.

A duplicate film will be made for use in the office for reproduction of requested copies of records and the master film will become a part of the county's permanent security file.

ELISHA STEVENS WAS NOT HERO OF SIERRA

The Grass Valley Union, which has vigorously opposed naming the new freeway over Donner Summit, the Stevens Pass, calls attention to the fact that actually the Elisha Stevens party was led by one Caleb Greenwood in going over the summit.

"Unrefuted, uncontroversial history stamps Caleb Greenwood as the hero of the Stevens' Party and relegates Stevens to anonymity and upends all arguments and contention that the rerouted section of Highway 40 needs any other name than Donner," the Union declares.

Several organizations, including the Truckee Donner Chamber of Commerce, the board of supervisors and others have gone on record favoring the name of Stevens Pass for the new freeway crossing. Many others have opposed any change from the name Donner, wishing to hold fast to the 113 year historic name for the new freeway which will by-pass the present Donner Pass by a couple of miles.

PARK LAND BOND IS BOOSTED BY STATE

By Edwin S. Capps
Capitol News Service

A proposed \$100 million bond issue to be used for acquisition of state beach and park lands apparently will be increased to \$150 million. Sen Ronald G. Cameron, Auburn, author of the constitutional amendment which would put the bond issue before the voters, said the Senate Natural Resources Committee has been having a number of work sessions on the measure.

At present, it appears the bill might come out of the Senate like this:

- 1—Total bond issue amount \$150 million.
- 2—Total reserved for grants and loans for local development of day use areas, close to metropolitan centers, \$40 million.
- 3—Total committed to development of lands, once they are purchased, 15 to 25 per cent.
- 4—Total conservation projects, \$5 to \$10 million.

The bill also likely will have a geographical formula, under which 40 per cent of the money would be spent in northern counties, 40 per cent in southern counties, and 20 per cent left to discretion of the State Park Commission.

The bill also would require that any expenditures of the bond money would be listed, by specific project, in each budget, thus giving the legislature the full power to review and act upon individual items.

DON SITES RETURNS FROM NAVY CRUISE

LONG BEACH, Calif. (FHTNC) Donald H. Sites, Jr., storekeeper third class, USN, son of Mr. and Mrs. Donald H. Sites of Truckee, is serving aboard the heavy cruiser USS Los Angeles, which returned to Long Beach, February 27, after a seven-month tour of duty with the Seventh Fleet in the Western Pacific.

During the cruise, the 17,000-ton warship served as flagship for Rear Admiral E. A. Ruckner, commander, cruiser division one.

Ports of call include Sasebo, Beppu, Kagoshima, Kobe and Yokosuka, Japan; Hong Kong; Subic Bay, Philippines; and Hawaii.

"AREA CODE" TERM ON PHONE EXPLAINED

Truckee and Tahoe residents have been hearing a new term, "area code," lately when they talk to telephone operators.

Pacific Telephone Manager L. R. deGallery said the Truckee-Tahoe area code of 916 is used by people in other areas when they dial calls to this area.

DeGallery explained that the United States and Canada are divided into more than 100 telephone, each identified by a three-digit area code. No two phone numbers are the same in each area.

Truckee and most of Northern California are in the 916 area. This runs from below Sacramento up to the Oregon line, and from the Nevada border over to the west side of the Sacramento valley.

Anyone outside of this area has to dial "916" before dialing a local number.

DeGallery noted that it also speeds long distance calls placed with operators if you know the area code of the number you are calling.

Area code numbers are not used for calls completed within the same calling area.

Cindy's listening to flowers talk

Do flowers talk? Cindy knows they do. In a quiet, friendly way they say — Hello! We're here. The older she gets, the more Cindy will discover companionship, and wonder, in things that grow.

Gardeners understand this feeling best. They've worked their fingers in warm, musky soil. Watched a shoot catch its first sight of day.

Standard has been gardening, too, for over 30 years. Today our ORTHO Division makes 60 products to help gardens grow better, more easily, all over the world.

To give a lawn that luxurious look. Help a tree wear its mantle more proudly. Or coax a cascade of blooms from a rosebush.

Standard's gardener-scientists never stop looking for better ways to nourish and protect your garden. In laboratory and test plots they're searching, experimenting, proving.

Out of this research have come many gardening "firsts," which you can share by reading the ORTHO Lawn and Garden Book, available at garden supply stores.

At Standard we're interested in everything that grows... whether it's a hillside's bright blanket of flowers, or one proud plant in a window box.

ORDINANCE NO. 62-01 OF TRUCKEE PUBLIC UTILITY DISTRICT

Defining and Classifying Types and Users of Water Service, System and Facilities there of; Establishing Water Rates and Charges Applicable thereto; Providing for the Establishment and Enforcement of Rules and Regulations regarding said Water System, Service and Facilities; Providing Means for the Collection of Water Rates and Charges and Enforcement Measures in Case of Non-Payment or Certain Violation; Providing for Appeals.

BE IT ENACTED BY THE BOARD OF DIRECTORS OF TRUCKEE PUBLIC UTILITY DISTRICT as follows:

SECTION 1. DEFINITIONS: For the purposes of this Ordinance the terms and words below are hereby defined as follows:

1.1 DISTRICT: Truckee Public Utility District, and property within the exterior boundaries thereof.

1.2 UTILITY: Water service, system, facilities and appurtenances of Truckee Public Utility District.

1.3 CUSTOMER: Any individual or agency of record receiving or making use of water service from said District.

1.4 PREMISES: Any lot, piece or parcel of land, improved or unimproved, to which water service is being or is to be provided.

1.5 TARIFF SCHEDULES: The entire body of effective rates, rentals, charges, penalties and regulations set forth or provided for herein.

1.6 PUBLIC USE: Provision of water service to a municipality or other public body.

SECTION 2. TYPES AND CLASSES OF SERVICE: For the purpose of this Ordinance there is hereby established the following types and classes of service:

A. TYPES OF SERVICE:

A-1 FLAT RATE SERVICE: Provision of water service in unmeasured quantities charged for on a fixed periodic charge.

A-2 METERED SERVICE: Provision of water service in measured quantities charged for on metered rates.

A-3 TEMPORARY SERVICE: Service for construction work and similar uses, which, because of the nature thereof, will not be used steadily or permanently.

A-4 SEASONAL SERVICE: Provision of water for a limited but specified period of time.

B. CLASSES OF SERVICE:

B-1 DOMESTIC SERVICE: Provision of water for household and residential purposes, including water for sprinkling lawns, gardens and shrubbery, watering livestock, washing vehicles, and other similar and customary purposes.

B-2 COMMERCIAL SERVICE: Provision of water to premises where the customer is engaged in a profession, trade or business, or is engaged in the buying, selling or providing of goods or services.

B-3 INDUSTRIAL SERVICE: Provision of water to a customer for use in manufacturing or processing activities.

B-4 FIRE PROTECTION SERVICE: Provision of water to premises for automatic fire protection.

B-5 UNCLASSIFIED: Any water service provided to customers or premises, having unusual characteristics or requirements and not within the classification set forth above.

SECTION 3. WATER SERVICE AREAS: The areas in which water service is or may be furnished by Truckee Public Utility District are described as follows:

3.1 SERVICE AREA NO. 1: Comprising the South ½ of Sections 10 and 11, the North ½ of Section 14, all of Section 15, all Township 17 North, Range 16 East, M.D.B. & M. (Truckee)

3.2 SERVICE AREA NO. 2: Comprising the South ½ of Sections 8 and 9, all of Section 16, and Section 17, all Township 17 North, Range 16 East, M.D.B. & M. (Gateway and Meadow Lake)

3.3 SERVICE AREA NO. 3: Comprising the South ½ of Section 7, all of Section 13, in Township 17 North, Range 16 East, and the South ½ of Sections 11 and 12, and all of Sections 13 and 14, all Township 17 North, Range 15 East, M.D.B. & M. (Donner Lake)

3.4 SERVICE AREA NO. 4: Comprising all other parts, parcels, portions or sections lying within the exterior boundaries of Truckee Public Utility District.

3.5 SERVICE AREA NO. 5: All land outside the exterior boundaries of Truckee Public Utility District.

The Truckee Public Utility District specifically reserves the right, in the discretion of its Board of Directors, to apply special or restricted service, rates, charges or regulations within any of the service areas described which may differ from the service, rates, charges, or regulations applicable in another service area.

SECTION 4. WATER RATES AND CHARGES: In order to provide revenues for the purposes of undertaking, conducting, and carrying on any of the business and affairs of said District as allowed by law, there is hereby established, levied, and there shall be collected according to the following rates and classifications, the following amounts:

SCHEDULE I WATER RATES AND CHARGES Metered Service

4-1 APPLICABILITY: Applies to all domestic, commercial, industrial and temporary water service, delivered at metered rates.

TERRITORY: Applies within the exterior boundaries of Service Area No. 1, and Service Area No. 2, as hereinabove described.

MINIMUM CHARGES (per month or fraction thereof)
Up to ¼ in. meter \$ 4.50 per mo.
¾ in. to 1 in. meter 5.00 per mo.
1 in. to 2 in. meter 7.50 per mo.
2 in. to 3 in. meter 14.00 per mo.
3 in. meter and over 26.50 per mo.

WATER RATES

(per month or fraction thereof)
On 1st 4000 gallons included in minimum charge based on meter size (above)

Next 16,000 gallons 25c per 1000 gallons
Next 40,000 gallons 20c per 1000 gallons
All over 60,000 gallons 15c per 1000 gallons

SCHEDULE II WATER RATES AND CHARGES Flat Rate Service

4-2 APPLICABILITY: Applies to all flat rate service, fire protection service, unclassified or seasonal service.

TERRITORY: Applies within Service Areas Nos. 1 to 4, inclusive, and to any water provided customers in Service Area No. 5 as hereinabove described.

RATES AND CHARGES for the foregoing shall be established in each case by the Board of Directors, depending on the quantity of water to be used, type of service desired, classification of service to be provided, special connections necessary, if any, and such other conditions or circumstances as may be applicable, all to the end that such rates and charges shall be in conformity with the revenue producing requirements of Section 16467 of the Public Utilities Act of the State of California.

SECTION 5. BILLING FOR AND PAYMENT OF WATER RATES AND CHARGES.

5.1 METERED SERVICE: Meters will be read at regular intervals and as near to a calendar month basis as reasonably practicable for the purpose of preparing regular bills, opening bills, closing bills, or special bills. Should a monthly billing period contain less than 27 or more than 33 days, a pro rata correction may be made on the monthly minimum charge.

5.2 FLAT RATE SERVICE: Bills for flat rate are payable in advance. Opening bills for flat rate service shall not be less than the estimated monthly charge for the service. Any amount paid in excess of the pro-rated period rate will be credited against the charge for the succeeding month.

5.3 PAYMENT: Bills for water service are due and payable upon presentation and payment may be made at the office of the District, Truckee, California, or to an authorized collector. Bills are due and payable by the 10th of the month and become delinquent thereafter.

5.4 RESPONSIBILITY FOR PAYMENT: All bills for water service and other charges shall be billed to the person requesting and making application for service; provided, however, that in the event of delinquency such rates or charges shall be billed to the owner of the premises afforded such service, whether or not such owner requested or made application for service.

5.5 DISPUTED BILLS: In the event of a dispute between a customer and the District as to the correct amount of a bill rendered by the District for service furnished a customer, the customer shall deposit the amount billed with the Clerk of the District, and shall then proceed in accordance with Section 8 of this Ordinance. Failure to deposit said amount within 20 days from the date of said bill shall warrant the District regarding it as a delinquent account.

SECTION 6. ENFORCEMENT OF COLLECTIONS, RULES AND REGULATIONS:

The General Manager of said District is hereby charged with the enforcement of the provisions of this Ordinance and all Rules and Regulations made pursuant hereto. The Board of Directors shall make such Rules and Regulations for the safe, economic, and efficient operation, management and protection of the District Water system, service and facilities, and such necessary for the regulation of water services, the application for service, the establishment and collection of connection charges for various types of service, including special contracts where necessary, the collecting, rebating or refunding of charges, establishment of credit and reconnection charges.

(a) In the event of a violation of any laws of the State of California, the ordinance of the District, or the rules and regulations established pursuant thereto, the General Manager shall notify the person or persons causing, allowing or committing such violation, in writing, specifying the violation, and upon the failure of such person to cease or prevent further violation within 15 days after the date of such notice, the General Manager may exercise his authority to disconnect

said premises from water service; provided, however, that in the event such violation results in a public hazard or menace, then the General Manager may enter upon the premises and do such things and expend such sums as may be necessary to abate such hazard or menace, and the reasonable value of the things done and expense incurred or amount so expended thereon shall be a charge upon the person and premises so in violation.

(b) Upon the failure of any person or the owner of the premises, to pay any water service bill or charges applicable thereto, in addition to the foregoing, any one or more of the following actions may be taken:

(1) Each water service bill and/or charges levied by or pursuant to this Ordinance and the Rules and Regulations thereunder, on any premises within the District, is hereby made a lien upon such premise, and any measures authorized by law may be taken by the District to enforce payment of such lien.

(2) Whenever a premise has been disconnected from the water system for non-payment of water bills or charges, such premise shall not be reconnected to said water system until all delinquent charges and penalties, if any, have been paid, together with such additional charges or deposits for disconnection, reconnection or establishment of credit as may be ordered from time to time by the Board of Directors by rules and regulations or other act.

SECTION 7. PERMIT TO CONNECT: No person shall connect, or cause to be connected any premise with the District water system without having first made application therefor to the District, and having obtained permission of the District so to do in accordance with Rules and Regulations.

SECTION 8. APPEALS: Any person who shall be dissatisfied with any determination hereafter made under or pursuant to this Ordinance, or any amendment thereof, or Rules and Regulations made pursuant thereto, may at any time within 30 days after such determination (disputed bills provision excepted) appeal to the Board of Directors of said District by giving written notice to the General Manager and to the Clerk of the Board of Directors, setting forth the determination with which such person is dissatisfied. The General Manager shall then investigate and transmit to the Board of Directors within 15 days from date of said written notice a report upon the matter so appealed. The Board of Directors after receipt of said report of the General Manager shall not less than 30 days thereafter have a hearing in reference to said protest or matter appealed, and notice of the date, place and time of said hearing shall be given to all persons affected thereby not later than ten days prior to said hearing. The Board of Directors may at any time, upon its own motion, reverse any determination made by the General Manager.

Pending decisions upon any appeal relative to the amount of charges made hereunder, the person making such appeal, shall pay such charge under protest as more particularly provided in the Rules and Regulations of the District. After appeal and hearing thereon is had, the determination of the Board of Directors, as a result thereof, shall be final and conclusive, and in the event that a determination be made, that any charge or amount previously paid under protest be refunded, such refund shall be made forthwith.

SECTION 9: If any of the provisions of this Ordinance, or the application thereof to any person or circumstance, is held invalid, such decision shall not thereby affect the other provisions of this Ordinance.

Nothing herein shall be construed to limit the authority of the Board of Directors to amend, supplement or change this Ordinance, or any supplements or amendments thereof, or to change, modify or alter any rules, regulations or other determinations made pursuant thereto.

SECTION 10: EFFECTIVE DATE OF ORDINANCE: This Ordinance shall become effective 30 days after the date of passage thereof, and shall be published twice within 15 days after the date of passage, in the Sierra Sun, a newspaper of general circulation, printed and published within the County wherein said District is located; provided, however, that the water rates and charges now in effect shall remain in effect until May 1st, 1962, on which date the water rates and charges hereinabove set forth and referred to shall become effective.

This Ordinance supersedes Ordinance Number 56-01 dated February 24, 1956.

The O'Bear family packed up their soap, towels, toothbrushes and swimsuits Sunday and by the time you read this we'll probably be back from our trip. I don't know exactly where we're going but who cares as long as you have plenty of water to drink, wash in and use when necessary. No reflection on anyone now... but why does it have to happen every weekend when we business people have a chance to make a few dollars. Oh well, when we get back maybe we will have water again. In the meantime, it seems like the old days when you carry water for everything and get buckets of water from the lake to flush the toilets. Ah, Ah!

Didn't see anyone out fishing over the weekend except our two children and Gary and Don Gray. They didn't catch anything but had a wonderful time trying to coax the fish to bite. We have a spot that isn't frozen over as there is a

SOROPTIMISTS SEE TRAVEL FILMS: PREPARE TO PRESENT OFFICER NOMINEES FOR YEAR

KINGS BEACH — Soroptimists and many guests were in attendance on Tuesday night, when the Soroptimist Club of Lake Tahoe met at Crystal Bay Club in Nevada.

Marty Rieck, program chairman, presented Mickey and Bud Mandeville, who presented a program of colored slides and colored movies. Mickey built her part of the program with colored slides of Soroptimist activities, while Bud, as his share of the program, showed colored movies of a recent tour he and Mickey enjoyed in Mexico.

Marty, also captain of the Soroptimist snow shoe team, presented the team as follows, May Murray, Helene Turchet, Maggie Stollery and Marty Rieck.

Barbara Spitsen and Louise Scoville will represent the local club at the April Soroptimist Regional Conference, in Santa Rosa in April. Bea Morris will accompany them as President Maggie Stollery's representative.

The April board of directors' meeting at the home of Ellen Sklar treasurer, was attended by Marty Rieck, Audra Holmes, Louise Scoville, Ellen Sklar, May Murray, Ruth Burris and Maggie Stollery. Following a chicken dinner, prepared by Dr. Sklar, the board discussed the coming election of new officers, the coming conference and the Soroptimist Thrift Shop that will open in Kings Beach in May.

The first business meeting in April will feature presentation of names for officers to serve for the year 1962-63. Chairman of the nominating committee, Ruth Burris, will present names submitted by her committee for consideration by the membership with elections to follow in May. Serving on the nominating committee with Ruth are Dorothy Kornstien and Mickey Mandeville.

LES KELLY SPEAKER AT ROTARY MEET

TAHOE CITY — Lester Kelly, public relations officer of the Sacramento Division of the highway patrol, told Rotarians and guests attending a dinner meeting at Tahoe Inn, how deaths and injuries are increasing year by year on highways all because motorists fail to drive according to laws made for their protection.

The speaker said that despite publications and TV broadcasts that warn motorists to drive carefully, deaths on our highways to date in the United States amount to 2,279 more than all the men who died in all the wars the U. S. participated in.

In the past year there have been 3,337 people killed by traffic accidents and 160,000 injuries on our nation's highways, the officer said.

He went on to say that liquor is responsible for many highway accidents and new laws have now been passed prohibiting drinking or carrying alcoholic liquor in a motor vehicle unless the bottle has been unopened and is carried in the trunk compartment or other concealed place.

On the question of noisy mufflers and those that discharge to the rear on busses and freight trucks, Kelly replied that there will soon be regulations on mufflers of both passenger and freight vehicles.

The "litter-bug" who costs the state millions of dollars annually for cleaning road sides and starts fires is due for a closer watch, Kelly said.

President Gordon Moyer presided. Herb Clegg was program chairman. Bill Vernon, Rotary information.

DANGER TO BICYCLE RIDERS IS STRESSED

Forty-eight bicyclists were killed during 1961, an increase of nearly 50 per cent over the 1960 figure of 33, California Highway Patrol Commissioner Bradford M. Crittenden said.

Injuries to bicycle riders also increased, totaling 3,963 compared to 3,561 the previous year.

The simple statistics fail to reveal the real tragedy of the figures. More than four-fifths of the bicyclists killed and injured were youngsters 15 years of age and below.

"This points up a dual need," the commissioner said. "Drivers must take extra care, particularly around areas such as schools and playgrounds where bicyclists are numerous; and bicycle riders must remember that vehicle laws apply to them, too."

"The patrol's bicycle and pedestrian safety education program has helped thousands of children become aware of bicycling hazards—but youngsters still make mistakes. Motorists should realize that alertness on their part can prevent these mistakes from becoming tragedies."

Patrol figures show that 39 of the 48 deaths were youngsters 15 and below; five were among the 15-19 age group; and four were among persons 35 and above.

CHAINLESS CARS ARE BLAMED FOR TIEUPS

Motorists who remove tire chains before reaching the end of posted chain control areas can cause havoc on mountain roadways, as well as endanger their own safety, Lt. O. P. Ledford, commander of the California Highway Patrol's Truckee substation, said.

"The problem is particularly acute on highways such as U. S. 40 over Donner Summit, where alternating stretches of snow or ice-covered roadway and clear pavement often lead drivers to believe that chains are no longer necessary. Some motorists remove chains on a clear stretch, only to come upon another section covered with snow."

"Without chains, their vehicles frequently spin out of control and block the roadway. On one recent occasion, this happened to 20 cars near Baxter, and within less than one-half hour westbound traffic was stalled as far east as Truckee."

The lieutenant said that it is a violation of law to remove tire chains until the official sign stating "End of Chain Control" is reached.

"This may mean you will drive on short stretches of clear roadway, but until you see the sign, chains must be left on or you will find your vehicle entering a snow-covered stretch without the necessary protection of chains."

NEW ANGLING LAWS ARE NOW IN EFFECT

California's 1962 sport fishing regulations became effective Thursday, March 1, and the department of fish and game reminded anglers that several changes are now in force. The 1962 regulations were adopted by California's Fish and Game Commission at its meeting in Sacramento last December.

Several new regulations at Lake Tahoe and at Topaz Lake in Mono County made for uniform laws on both the California and Nevada shores. As of March 1, no fish may be used as bait at Topaz, and only native minnows from Lake Tahoe may be used as fish for bait in Tahoe. Chumming and underwater spearfishing will not be permitted on either lake. Liver and meat will be permitted as bait on both Tahoe and Topaz. Whitefish will be counted in the 5-trout limit at Tahoe.

On both lakes either a California or Nevada license has been valid for fishing from the shore of either state since January 1.

HIGHER EARNING U.S. SAVINGS BONDS

This year a new 50-star flag flies over our country—symbol of an ever-growing America that values freedom and peace. But freedom and peace cost money. Money for strength to keep the peace. Money for science and education to help make peace lasting. Money saved by individuals to keep our economy strong. U.S. Savings Bonds help provide this money. And today, Bonds are better than ever; E Bonds mature 14 months faster than before, they pay 3 3/4% interest to maturity. They keep on earning for years after maturity.

To build a brighter future for yourself and to help keep America strong and peaceful—buy U.S. Savings Bonds. They're better than ever.

VETERANS HOLD SKI RACES ON DONNER

DONNER SUMMIT — Championship titles in the Far West Ski Association's veterans' downhill race were won Sunday by Peter Klausen of Squaw Valley, Al Gibson of Phoenix, Ariz., and Fred Degen of Sacramento. Held at Sugar Bowl, it was the concluding event of a two day Alpine tourney for competition above 32 years of age.

The class one division, 32 to 40, saw Klausen win by three tenths of a second over Jim Baker of Alpine Meadows. Both men competed for the Lake Tahoe Ski Club.

The class two division, 40 to 50, produced the tourney's only double winner when Gibbon zoomed down in 1:23.4.

Second was Bud Zorich, Soda Springs, followed by Earl Ruffa, Sugar Bowl.

However, the most thrilling competition of the downhill came in the over 50 years of age bracket when Degen, competing for the Red Hornet Ski Club, rocketed the course in 1:31.8 to win from Sacramento's Stan Walton at 1:35.3.

LAKE TOASTMASTERS PLAN WEEKLY MEETS

CRYSTAL BAY — Toastmasters of the North Lake Tahoe Club met Tuesday and decided to hold meetings every week. Sessions start at 7:30 a. m. at the Nevada Lodge and the new schedule replaces the previous first and third Tuesday meetings.

According to Marvin Schwartz, originator of the change, which was subsequently approved, the new regular schedule will make it easier to recruit new toastmaster members prior to applying for a charter and will help organizers to continue club activities in an orderly fashion.

Lonnie Ross was named speaker of the week for his talk on life, its origin evolution, and search for knowledge. Bob Daneri received honors for the best table topic presentation.

Interested persons are cordially invited to attend any of the Toastmaster's Tuesday morning meetings.

LENGTHY BALLOT TO BE PRIMARY FEATURE

One of the largest ballots in recent political history will be presented to the voters of Nevada County at the June 5 primary.

John Trauner, county clerk, said 18 candidates had filed for county offices, one for the state assembly, 17 for the Republican Central Committee and 13 for the Democratic Committee.

Eleventh hour filings found Marvin Haddy, Nevada City service station operator, qualified to oppose Charles Kitts, candidate for reelection as county assessor. None of the other county-wide officials have opposition.

Walter Karniss, Grass Valley filed as a candidate for the state assembly on the Republican ticket.

Five candidates seek the office of supervisor in the fourth district and three are after the same job in the third district.

JUDGES SEEKING PAY INCREASE IN COUNTY

The three Nevada County judicial district court judges agree that the task of conducting a district court is a 40 hour a week job deserving of a pay boost to \$500 a month instead of the \$350 now received.

The suggestion was presented to the board of supervisors Monday.

The judges are Victor Monte of Grass Valley, Verle Gray of Nevada City and Fosten Wilson of Truckee.

SPODE DISPLAYED

A small, square plate of floral design, orange predominating was displayed this week by Mrs. Charles Heller. The unique dish is Copeland Spode, from England in the period of 1789-1797. It was made near Stoke on Trent and a part of the owner's collection.

Kings Are Better

Mr. and Mrs. Joe King of Kings Beach and Reno have been patients in a Reno hospital recently. Mrs. King returning to their home April 4, following an appendectomy. Her husband also was released after a four months stay in the hospital. Their local friends are hopeful of their return to good health.

SIERRA CALENDAR IS ADOPTED FOR YEAR

The school calendar for 1962-63 has been adopted by the Sierra College board of trustees. The fall term will open with introduction to college on September 6 and 7, with classes beginning September 11.

A slightly longer Christmas, December 19 through January 1, will be offset by a shorter Easter vacation, April 8-12 next year. There will be a total of 179 days of instruction.

Trustees will meet April 10 at Tahoe Truckee high school for their regular monthly meeting. Scheduled is preliminary budget discussions. The board has planned several trustee meetings this year for Tahoe Truckee and for Lincoln. Meetings are usually held at the college.

RECREATION OFFICIAL STUDIES TAHOE AREA

KINGS BEACH — Everst L. Gale, recreation specialist for the California State Division of Recreation met with Fred Schultz, Lake Tahoe-Sierra Chamber of Commerce general manager during a visit to the North Sierra Lake Tahoe area.

Gale is presently gathering material for a feasibility report and recreational inventory requested of his division by the supervisors of Placer County. This move was spearheaded by William Briner, supervisor of District 5, Tahoe City and Forest Hill.

GUIDANCE TESTS AT COLLEGE STARTED

High school seniors from Placer, Nevada and El Dorado counties are now undergoing guidance tests at Sierra College, Dean of Instruction Marion Akers announced.

Seniors at Tahoe Truckee will be tested by Akers, Ray Nelson and Frank Van Vliet on April 19. The tests are given to determine individual abilities and need. Akers and others follow the exams by visiting high schools to discuss the results with individual students.

DRIVER CITED AFTER THREE CAR COLLISION

Walton C. Ferris, Jr., 32, Belmont, was cited by the California Highway Patrol Saturday for speeding after it was charged he caused a three car accident west of Soda Springs on U. S. Highway 40.

He was unable to stop his car after he rounded a curve and found traffic halted in front of him.

Injured was Katherine Roden, 43, Richmond, a passenger in a car driven by Robert Lee Roden, Jr. 50.

Cones of the ponderosa pine measure two to five inches in length, with outward pointed spines.

CARD OF THANKS

We are sincerely grateful for the acts of kindness and messages of sympathy sent by our friends during our recent bereavement and wish to express our appreciation to everyone.

Mr. and Mrs. Joe Straub

MANY ITEMS SLATED FOR CHAMBER MEET

KINGS BEACH — Directors of the Lake Tahoe Sierra Chamber of Commerce will meet April 12 in lieu of their regular 3rd Tuesday meeting during Easter vacation. Arrangements have been made to hold the session at Bill and Marge Zeig's Chicken House, Highway 89 in Tahoe City. The meeting will start with a no host luncheon at 12 noon.

According to Selby Calkins, president of the chamber, an important agenda, consisting of highway problems, area promotion, and advertising will be discussed. He added that chamber members and interested individuals were welcome at any function

SCIENCE LECTURE IN RENO NEXT SUNDAY

A free lecture entitled "Christian Science; the Revelation of True Security" will be given April 8 at 3 p. m. in the First Church of Christ, Scientist at Reno, Nevada.

Paul K. Wavro, C. S. B. of Jacksonville, Florida will be the speaker. He is a member of the board of lecturership of the Mother Church, the First Church of Christ, Scientist, in Boston, Mass.

All are welcome to attend. of this group. He asked those planning to attend to call the chamber office in Kings Beach, Liberty 6-2501 and make reservations.

4-Letter Man

The word "c-a-r-e" describes your community pharmacist at work.

C-For Caution

He checks and rechecks your prescription on the basis of his wide knowledge of drugs.

A-For Accuracy

His meticulous record keeping safeguards your health. For instance, if a member of your family should take an overdose of a drug, his records will tell the physician exactly what drug it was.

R-For Reliability

You can depend on your pharmacist to dispense prescription medicines exactly as your physician intended.

E-For Education

The pharmacist is a highly trained professional. Today, a pharmacist must spend 5 long years in college and pass a stiff state examination before he is allowed to practice his profession.

The pharmacist is a vital member of the team of researchers, doctors and others who guard your health.
